

The 24th of December is
Christmas Eve.
People hang up the stockings.

The christmas tree is
decorated with candles,
sweets, lights and balls.

Father Christmas lives at the
North Pole: On Christmas Eve
he comes with his sleigh.

Nine reindeers pull the sleigh.
One of them is Rudolph.

The sleigh lands on the roof.
Father Christmas goes through
the chimney.

25th of December is Christmas
Day. The children unwrap the
presents in the morning.
